Collection of Goods

Your Wines

Lower Falls Wine Co. will endeavor to release or transport your goods to you as quickly as possible. The inherent nature of fine wine—particularly aged bottles—requires that due care be taken in its storage and transport. We request your partnership in making sure no harm arises during storage, collection or transportation. We may offer suggestions as to the best course of action to safeguard your purchase. Fees charged are only to recover associated costs and are not intended to create a profit center from the act of getting your goods to you. When using an outside shipper or when having a person other than the invoiced party collect your purchases, Lower Falls Wine Co. must have the appropriate signed and faxed release form.
